DIARY NOTES

DD/S

28 July 1965

25X1A 1. Alan Warfield and I received a briefing on the Office of Training from Matt Baird [REDACTED] (The briefing was interrupted, however, by my having to meet with Dick Helms.) The Office of Training does have problems, particularly in its staffing, its increased workload, and its current organization. These problems must be inquired into further. The training program for the future should be explored further with greater emphasis on long-range planning.

25X1A 2. Dr. Tietjen called to advise me that [REDACTED] is at the Washing-
[REDACTED] voluntarily
agreed to go to the hospital for treatment since he has not improved over a period of some months. He will probably be away from work for some time. (I have alerted the front office.)
